Mr. Scott Grubb, AIA, LEED AP  
Vice President  
Aguirre Roden  
700 Lavaca Street, Suite 500  
Austin, TX 78701

Dear Scott,

On behalf of Austin Bible Church, I would like to thank you and the rest of Aguirre Roden for the tremendous job that you did on our new facility at 8405 Cross Park Drive in Austin. Our congregation loves the building design that you developed, and as the head of the building committee I specifically appreciated all of the help you provided during the building process. Your constant availability to work with us and the general contractor to sort out the inevitable construction issues was invaluable to the project. We would gladly provide an excellent reference for you, should any future customers have questions.

Best regards,

John Carnagey  
Chairman of the Board  
Austin Bible Church
